

# HANDS UP CLASSROOM SURVEY

Teacher: \_\_\_\_\_ Room #: \_\_\_\_\_ Date: \_\_\_\_\_

Total number of students in class: \_\_\_\_\_ Grade: \_\_\_\_\_

## How did students travel TO school?

Ask: "How did you travel TO school this morning?" Ask each mode separately and fill in the number of students (one mode per student).

	Walk	Bike	Bike Part Way	School Bus	Public Transit	Car	Carpool	Other	Total
Mon									
Tues									
Wed									
Thurs									
Fri									
Total									
Average									

## How did students travel FROM school?

	Walk	Bike	Bike Part Way	School Bus	Public Transit	Car	Carpool	Other	Total
Mon									
Tues									
Wed									
Thurs									
Fri									
Total									
Average									

Ask both TO and FROM every day for one week.

If students came by another mode, indicate Other: \_\_\_\_\_

If they combined any other mode with cycling, they count as 'Bike Part Way'.
